When I first ran for office I pledged to you that we would build four major needed institutions in Kapolei; Kapolei Middle, Kapolei High, Kapolei Library, and a UH West Oahu campus. Three are built, with funds appropriated to complete Kapolei High Stadium.

I am working with Governor Lingle, the UH Board of Regents, and University President in planning our West Oahu Campus.

In 1981 we moved to tiny Makakilo City. In 1991 I began serving you as a member, and then chaired several Makakilo Community Association committees. I was your representative to the Ewa Neighborhood Board.

In 1992 I became Community Representative to the City's Planning Advisory Group, Ewa and Central Development Plans. I was Chair Parks, Recreation and Public Facilities Task Force, Barbers Point Redevelopment Commission, 1993-1997.

My wife and I petitioned the City to form our Makakilo/Kapolei/Honokai Hale Neighborhood Board. Started in 1994, I was Vice-Chair.

Other service includes: Chair Community Segment Makakilo Elementary SCBM, Kapolei Middle and Kapolei High Task Forces and Steering Committees, Second City Education Committee, Ewa Elementary SCC, Co-Founder Campbell High Booster Club, Makakilo/Kapolei Lions, and Manager Leeward YMCA.

I always keep my word. I say what I mean, and mean what I say. Semper Fidelis-Always Faithful. This United States Marine Corps motto describes me after nearly 25 years service as an enlisted man, senior non-commissioned officer, and senior commissioned officer.

I am Assistant Republican Leader, and Ranking Member of Finance, Transportation, and Military Affairs/Public Safety Committees – committees important to us.
